

EMERGENCY PROCEDURES

Fire — Children will be accompanied by staff out the building through nearest marked exit. Staff and children will all meet outside under the pavilion, and the fire department called.

Tornado — Children will be accompanied by staff into the hallway in front of the Nursery.

Serious accident or Injury — Staff are to remain calm and stay with children at all times. 9-1-1 will be called along with the child's parents and/or emergency contact.

Intruders — Staff will keep children in their classrooms with doors closed until it is safe for them to be released.

Bomb Threat — Children will be accompanied by staff out the building through nearest marked exit. Staff and children will then assemble outside under the pavilion, and the police called.
